NEWS

September 2021

Dear Members

We hope you have been enjoying the summer weather, and wonder what activities you have been able to attend now that things are gradually opening up – Have you attend any summer fayres? These can be a good way of publicising LETS to people who might be interested in joining our fledgling group.

On 24th July we heard from Robin that he had left Japan for the U.S, where he had survived a his knee operation – and he sent us a picture taken four days earlier showing his stitches.

On 3rd September he wrote to say they are still in San Diego.

“I had my knee operation on 13th July and am doing well” in the photo below you can see that Robin has progressed to a walking frame.

“We decided to go on a trip to visit friends here in the USA starting this coming Sunday. So, we will be on the move a lot over the next few weeks. We have booked our flights. We will arrive in Tavistock on 14th October. Can't wait to get back to that lovely rain and warm beer!

I am walking with just a cane now and it already feels like the pain from the arthritis is no more. I am so happy!”

On 7th September Robin wrote again to say: “We are in Santa Barbara now and went to see Harry and Meghan's house. Tell the serfs Meghan really appreciates their gift and their toil. Harry and Meghan wish to thank the serfs of the Duchy of Cornwall for paying for their lovely £8 million cottage in sunny Santa Barbara, California.” The photos below show Robin and Patricia at the entrance of the grounds and there is a close-up of the sign.

On 13th September Robin updated us with the news that he and Patricia are driving around America. “On Thursday we will be settled at our friend's house in Michigan and

not on the move.” So they will be able to join a zoom meeting with members of the LETS group in Devon.

When Robin was in Japan we had to zoom in the morning but they are now in the opposite time zone so the best time for the zoom is in the evening, which is morning for Robin - on **Thursday 15th Sept at 7pm:** we will email a link to all members - Mary Fee.
