

Tamar Valley LETS Information & Application Form

**LETS...
Helping People
Help Each Other**

- Building Community
- Encouraging Local Skills
- Increasing Prosperity

LETS (Local Exchange Trading Schemes) are a way of exchanging goods and services with other people in the community without the need for money. They help regenerate communities and rebuild the local economy. There are many LETS schemes running successfully throughout the world.

- Local** LETS is run by and for local people creating wealth that stays within the area. It puts people in touch with a great variety of resources & skills.
- Exchange** LETS is based on the idea of barter, but it is more flexible, and much more effective as there's no need to find a one-to-one exchange.
- Trading** LETS uses cashless trading. Wealth is created directly through trade, no interest is charged and everybody benefits equally.
- Scheme** LETS is a not-for-profit unincorporated membership club. Everybody has skills and someone out there needs yours!

Tamar Valley LETS was launched in June 2017. Its unit of exchange is called the "Tam". We are in contact with other LETS operating in Devon and Cornwall, and are a member of [LETSlink UK](http://letslinkuk.com), the national coordinating agency for LETS Schemes.

As a Member you will receive a Tamar Valley LETS account from which can pay other members who provide goods and services. LETS is based on Mutual Credit, which is interest free and you do not have to earn credit before you spend. The scheme is open to all individuals, charities and businesses in our expanding catchment area in Southwest Devon - all kinds of skills are welcome and needed.

The membership list and and are entirely online, and Membership gives you access to the online system where once logged in you can view the directory of Offers & Wants and contact members for social and trading purposes. You will be able to develop and update your own profile and Offers & Wants, and do Tams transactions. Members who aren't online may request printed lists or may be paired up with a member who can help them manage their account, once this can be organised.

Making friends: LETS offer many social as well as economic benefits. In the Tamar Valley we will be holding regular meetings get-togethers, hosted by members, rotating around different areas. To join Tamar Valley LETS simply fill in and return an application form (as overleaf) - preferably online at: www.tamarvalleylets.uk

**LETS is a system that works!
Make it work for you...**

**"LETS join now". Want to know more?
